VOLUME CVI.---NO 98. ALEXANDRIA, VA., WEDNESDAY EVENING, APRIL 26, 1905. PRICE 2 CENTS.

DON'T BE HYPNOTISED,

Hoodwinked, hoodooed, or over-persuaded into accepting a substitute for Doctor Pierce's Favorite Prescription with its record of nearly 40 years, embracing hundreds of thousands of cures of woman's peculiar ailments. It's the only remedy for woman's ills sold by druggists, that is not full of "booze"—poor whisky, or bad alcohol.

A guarantee of $1000 is offered that "Favorite Prescription" contains no alcohol, opium or other harmful drug. Keeps in any climate.

"Favorite Prescription" is a powerful invigorating tonic, and imparts strength to the whole system and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

It's an insult to your intelligence for a dealer to attempt to palm off upon you an alcoholic *substitute* for this world-famed medicine. You *know* what you want. It's his business to *meet that want*. When he urges some *substitute* he's thinking of the larger profit he'll make—not of your welfare.

$50,000 GIVEN AWAY, in copies of The People's Common Sense Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at $1.50 per copy. Last year we gave away $50,000 worth of these invaluable books. This year we shall give away $50,000 worth of them. Will **you** share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

If out of health, write to old Dr. Pierce. He will send you good, fatherly, professional advice without charge.

Pierce's Pleasant Pellets. These sugar-coated little Pellets are the smallest, the easiest to take, and the easiest in the way they act. No griping, no violence, no disturbance to the system, diet or occupation. They are the Original Little Liver Pills, first put up by old Dr. R. V. Pierce, over 40 years ago. They have been much imitated but never equaled. They come in vials, always fresh and reliable: a convenient vest-pocket remedy.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?

If you did what would you say of him?

It is every bit as foolish to try to get rid of Dandruff and to prevent Baldness by feeding the germs which cause it, with Canthrarides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.

Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.

It is the original and only genuine scalp germicide manufactured.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol
Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 2½ times as much as the trial, or 50 cent size. | Prepared at the Laboratory of E. O. DeWitt & Co., Chicago, U. S. A.

FOUR MEN KILLED.

As a result of the bloody battle at Hempsteed, Texas, Monday night, four men were killed and others were wounded. Hempstead was last night under the control of the Texas Rangers. Martial law has not been declared, but Adjutant General Hulen arrived last night with a number of Raugers and assumed charged of affairs. No one is permitted to bear arms and the excitement manifested throughout the day had quieted down last night.

Rollan Brown, the son of one of the men killed at the prohibition mass-meeting Monday night, was yesterday placed under arrest on a charge of firing the shot which killed Representative John M. Pinckney. He stated that his father was under the influence of intoxicants when he attended the meeting, and that he (the son) attempted to dissuade him from attending. His father was firm, however, in his intention, and went to the meeting. The son followed and took part in the shooting. It has been established that the trouble began when Captain Brown attempted to secure recognition to speak at the meeting. It is said that his language was offensive to several ladies present, and the fusillade began immediately afterward. Congressman Pinckney was shot four times, and almost instantly killed. Thomas Pinckney, a brother of the congressman, was shot twice in the back and killed, and Captain Brown received a bullet through the heart. John E. Mills, the remaining victim, who took no part in the affair, was killed by a stray bullet.

The killing are the direct result of a prohibition movement in Waller county, which began some years ago, and the feeling has been intense. An election was held in Waller county April 20, and the prohibitionists, with whom the Pinckneys were affiliated, were successful. The Prohibition League was called together Monday night to wind up its affairs and disband. A resolution requesting the Governor of Texas to send troops to Waller county for the purpose of enforcing the law against liquor-sellers was excitedly debated. It was at this juncture that Capt H. M. Brown, who had figured prominently as an anti-prohibitionist, sought to have the chairman recognize him. Yesterday it was reported that friends and relatives of the participants in the bloody affray had been asked to come to Hempstead, and it was feared that further trouble would result. Last night, however, cooler counsel had prevailed and the little town is quiet. While no further trouble is anticipated, a number of rangers will remain at Hempstead to preserve law and order should the occassion arise.

Indorsed by State Fedration of Labor

In the discussion of the Virginia gubernatiorial campaign considerable doubt has been expressed as to which candidate would receive the indorsement and support of the railroad employes of Old Dominion, who are well organized and wield no little influence. It has been said that Lieut.-Gov. Joseph E. Willard would not receive the united support of the railroad element, on the ground that he refused to vote, while a member of the State Legislature, for the employers' liability, or fellow-servant, bill unless the law were made applicable to all citizens in hazardous employment. Friends of Mr. Willard, in Washington, declared yesterday that he had already received the indorsement of the railroad men and that they would give him their loyal support. It is claimed by these friends of Mr. Willard that when he was elected Lieutenant-Governor and presiding officer of the State Senate and found that the employers' liability bill could not be passed with the amendment which he offered, he withdrew his objections and gave the measure, as originally drawn, his hearty support. It was pointed out that after the passage of the bill the Virginia Federation of Labor, at its annual meeting at Roanoke, in May, 1902, expressed cordial appreciation of Mr. Willard's services in behalf of the bill.

Fire in New York.

Five alarms were sent in for a fire on the East Side in New York last night calling all fire apparatus from the Battery to Twenty-fifth street. The buildings destroyed were those that for years were occupid by the Ridleys as a dry goods store, and a familiar landmark on the East Side, bounded by Grand, Allen and Orchard streets. The buildings were occupied by furniture dealers and manufacturers of cotton underwear on the upper floors, while the ground floor was occupied by the Van Norden Trust Company, a Hebrew loan society and the Hebrew Charity Aid Association. The flames burst through the roof a hundred feet into the air, and made a most spectacular fire, but they were soon quenched by the numerous streams played upon them being confined to three buildings. The loss is $200,000. The fire broke out from an unknown cause shortly after 5 o'clock, just as several hundred employes were leaving the buildings, but no casualties were reported. So great was the outburst of smoke and flames that much excitement was caused in the downtown section. While the fire was at its height in the building of the Van Norden Trust Company a squad of police was summoned to the Mutual Alliance Trust Company, opposite, and $70,000 in cash, under police escort, was removed to the branch of the Corn Exchange Bank, several blocks away.

New Cure For Cancer.

All surface cancers are now known to be curable by Bucklen's Arnica Salve. Jas. Walters, of Daffield, Va., writes: "I had a cancer on my lip for years, that seemed incurable, till Bucklen's Arnica Salve healed it and now it is perfectly well." Guaranteed cure for cuts and burns. 25c at E. S. Leadbeater & Sons' drug store.

Taking Desperate Chances.

It is true that many contract colds and recover from them without taking any precaution or treatment, and a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding cold and paves the way for more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cure of colds, can be had for a trifle? For sale by Gibson & Timman and W. F. Creighton & Co.

The Right Name is DeWitt.

DeWitt's Witch Hazel Salve cools, soothes and heals cuts, burns, boils, bruises, piles and all skin diseases. K. E. Zichefoose, Adolph, W. Va., says: "My little daughter had white swelling so bad that piece after piece of bone worked out of her leg. DeWitt's Witch Hazel Salve cured her." It is the most wonderful healing salve in the world. Beware of counterfeits. Sold by W. F. Creighton & Son, 924 Queen street.

Thousands of surgical operations are performed every year in our great city hospitals upon women afflicted with serious female troubles. Sometimes the operations are successful—oftentimes they are not.

It is safe to say that certainly nine out of ten operations for female troubles might have been wholly avoided.

The most valuable tonic and re-builder of the female organism, the medicine with a record of thousands of cases literally snatched from the operating table, is

Lydia E. Pinkham's Vegetable Compound

Do not consent to an operation which may mean death until after you have given Lydia E. Pinkham's Vegetable Compound a fair trial. Note what it did for Mrs. Paul Oliver, whose letter follows:

DEAR MRS. PINKHAM:—I was suffering from pains in my side and womb. The doctors said to get well I must have an operation performed, but I would not consent to that.

I heard of Lydia E. Pinkham's Vegetable Compound and sent for a bottle; the first dose did me good, and after taking the first bottle I could sleep all right and I did not have those pains around my womb which I had all the time before. Now I can ride ten miles in a carriage, my color has returned, and I am full of life. I owe all this to the Vegetable Compound.

It has also done wonders for my thirteen-year-old daughter. I will never cease to praise it and recommend it to my friends.

MRS. PAUL OLIVER, St. Martinsville, La.

Thousands of women, residing in every city and town in the United States, bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills and creates radiant, buoyant female health. For your own sake try it.

Alexandria Gazette
SIC SEMPER TYRANNIS
AND VIRGINIA ADVERTISER

WEDNESDAY EVENING, APRIL 26, 1905.

AT THE dinner given by the industrial economic department of the National Civic Federation in New York last night Mr. Samuel Gompers, President of the American Federation of Labor, is reported to have said:

Organization is the workman's protection. The United States Supreme Court has declared the bakers' ten-hour law unconstitutional. I don't know what any one else may think, but as far as I am concerned when the test shall come, and there is no other way to prevent it, I will urge an appeal to these bakers to strike, and strike hard, to enforce the ten-hour day for themselves. No one believes that the conditions as they are today are perfect. A better day is coming. It is a question whether it shall come as in bloody revolutionary Russia or by the plain modest American method of obtaining it in the trades-union movement.

This is significant language and much to be deplored. Mr. Gompers makes the bold statement that he will urge a strike and a movement against the decision of the highest court in the land—a tribunal which ends all controversy when constitutional questions are involved and to which Congress and the President of the United States bow. It is difficult to believe that the great mass of working men of the country have any desire to imitate Russian methods by fomenting a revolution and Mr. Gompers may be merely showing his own teeth because the Supreme Court has failed to render a decision in conformity to his ideas.

THE CONSIDERABLE and steadily increasing deficit in the federal treasury seems destined to force serious consideration of the problem of increasing revenues on the administration at an early day. Administration officials do not hesitate to express their concern at the growing treasury deficit. The excess of expenditures over receipts for the present fiscal year has already reached the sum of $30,000,000. At this time last year there was an excess of receipts over expenditures of over $2,000,000. To recoup the treasury many republican leaders want to increase the internal revenue and tariff taxes and a tax on such necessaries as coffee, which would fall heavily on the poorer people of the country. Still extravagant expenditures are being made in all the government departments and money by the hundreds of thousands of dollars is literally being wasted. Practical men when they find that their expenditures are exceding their receipts cast around to see where savings can be made, but this is not so with republican government officials; expenditures must be kept to the top-notch so that the high tariff tax may be retained.

A PROSPECTIVE deficit of $35,000,000 in the revenue receipts by the close of the fiscal year has upset all the calculations of the congressional leaders respecting revenue legislation at the next session of Congress, and makes it almost imperative that something be done to provide the government with more money. The demand for a revision of the tariff is growing stronger, and the opponents of that policy are searching for some other legislative suggestion which may promise increased receipts. Plans are already under way for a general conference of House and Senate leaders as soon as Senator Aldrich returns from Europe. It is the intention that a programme shall be outlined, prior to the assembling of Congress, which the leaders can adhere to, and which, they hope, may be forced without touching tariff schedules.

MILWAUKEE is convulsed with a bank defalcation of a spectacular character. The defaulter is no teller, or even the cashier, but the president himself, and the amount is not a few hundred thousands, but a good round million and a half, which the directors have made good. If the directors had taken the precaution to find out what the president was doing with the funds they would not be obliged now to replace them. When wheat is being cornered bank officials would be safer in the hands of Mrs. Chadwick than in the market.

WHILE a negro charged with "the usual offense" has been acquitted in Mississippi, in spite of the testimony of a man of his own race, who purported to be an eye-witness, a negro in Ohio was only saved from a mob of lynchers by a deputy sheriff, who rushed him off in an automobile. In commenting upon these two cases the Philadelphia Record says: "Lawlessness is not sectional, and the color line is at least as conspicuous in the North as in the South."

Officers Kill Woman.

Roanoke, Va., April 26.—Mrs. Cora Lucky was shot to death at Gary, W. Va., yesterday while Detectives C. E. Anderson and A. C. Hufford, with Deputy Sheriffs E. B. Johnson and B. H. Powell were attempting to arrest two outlaws, Tom Burleson and "Doc" Cantrell, who were hiding in her house. Burleson and Cantrell are wanted in Mitchell county, North Carolina, for murder and robberies. When the sheriffs and their party approached the house the desperadoes opened fire and slightly wounded Sheriff Powell. When the firing began Mrs. Lucky was reading, but she arose to ascertain the cause of the trouble. She was struck by a bullet in the forehead. Burleson and Cantrell surrendered.

From Washington.

[Correspondence of the Alexandria Gazette.]

Washington, D. C., April 26.

Information received here is to the effect that ex-Captain George Herman, of the Philippine Constubulary, has been sentenced to 14 years imprisonment for his share in one of the most sensational and daring piracy cases ever perpetrated. Capt. Herman and Lieut. Johnson were on duty at Misamis, the former as senior inspector of constabulary, when they relieved the sale of 2,000 pesos and put to sea. They overhauled the steamer Victoria and boarded her, claiming that the vessel was to be used in government service, and attempted to escape to Borneo. They were obliged to put into the island of Negros, however, and Johnson was killed by the crew of a sailing vessel they had endeavored to impress, and Herman was captured. Men under his command were compelled to assist in the crime.

As a result of certain scandalous stories recently circulated at Carcas associating the name of Assistant Secretary of State Loomis, formerly U. S. Minister to Venezuela with the New York and Bermudez Asphalt Co., it is probable that on the return of President Roosevelt from the West, Minister Bowen, present representative of the United States in Venezuela, will be summoned to Washington in order that a thorough investigation of the entire subject may be had. One of the tales is that Mr. Loomis, while minister at Carcas, accepted a check for $10,000 from the New York and Bermudez Company, another that he purchased for a trifling sum a claim of $4,000 against the Venezuelan government and then used his official position to secure its collection.

Secretary Taft has received a cablegram from the Philippine commission in which they urge against his plan to effect a settlement of the friars' land dispute by compromise with the Philippine Sugar Development Company over the question of title to 3 of the 8 estates which they have agreed to sell to the Philippine government. In the opinion of attorneys for the Philippine commission the development company has not been able to produce a clear title to these three estates, which are claimed by the University of St. Tomas, as well as by the Dominican Order, from which they were originally purchased by the Sugar Development Company.

The Secret Service, Department of Justice and Postoffice Department have begun a concerted campaign against lottery agents with the avowed intention of putting them out of business in the United States.

The following postmasters were appointed in Virginia today: Samuel J. Wiley, at Berrys, Clarke county; Asa Crisman, at Kernstown, Frederick county, and James M. Hale, at Pratts, Madison county.

The Postoffice Department has issued a fraud order against the Home Co-operative Company at New Orleans: The concern formerly had its headquarters at Kansas City and later at St. Louis, and now has branches in a large number of smaller towns in the west. The company has thousands of clients throughout the west, most of whom are trying to buy homes on the company's installment plan.

Nan Patterson Trial.

New York, April 26.—Nan Patterson again today heard the evidence of the prosecution which sought to clothe her with the guilt of her lover's murder. Hyman Stern, who sold the revolver with which Caesar Young was shot, will be a witness today, and it has been the contention of the prosecution that the revolver was sold to J. Morgan Smith, the actress's brother-in-law. When court opened the prosecutor ordered the skeleton to be removed from beside the witness chair, and called George H. Chamberlain to the stand. He came from Springfield, Mass., and is employed by the Smith & Wesson Company, in the manufacture of revolvers. He said that the revolver with which Young was shot was made by his firm.

New York, April 26.—Hyman Stern, the pawnbroker, failed to identify Smith in court this morning. He also failed to identify Mrs. Smith as the woman who was with the man when he purchased the weapon.

Jos. W. Hewitt, a newsboy, identified J. Morgan Smith as the man who was in company with Miss Patterson on the evening of June 3. Witness testified that the man said to the woman, "You've got to do it." The woman replied, "I wont." Witness said the man then struck her and pushed her into the cab.

Bank Robber Killed.

Buffalo, N. Y., April 26. A special dispatch received here from Montreal, Canada, says that a bank near that city was entered by robbers this morning. The cashier opened fire on the intruders, killing one and injuring another. In the fusilade of bullets the cashier was seriously wounded.

Lancaster, Ont., April 26.—Burglars broke into the local branch of Merchants Bank of Canada, in this village, at an early hour, this morning, and as a result, one of their number is dead, and the bank teller, Herman von Metzke, is dangerously wounded. It was between one and two o'clock when the burglars by using a tie from the railway as a battering ram forced an entrance into the bank. The teller, who was sleeping at the back of the building, awoke to find four masked men with revolvers in their hands and a light shinning in his face.

He grabbed his revolver from under his pillow, one of the burglars seizing his hand, but Von Metzke turned his revolver on him and fired. In the scuffle which ensued the burglars pounded Von Metzke badly on the head with their revolver, but althought saturated with blood, he managed to get out of bed and put the burglars to flight. They took their wounded comrade with them as far as the station platform, four hundred yards away, where he was found dead shortly after. The burglars secured no booty.

Fifty Animals Burned.

A large stock barn belonging to the Ashburn Dairy Farm, near Ashburn, Loudoun county, which is owned by Judge J. D. Youmans, of the Interstate Commerce Commission, were totally destroyed by fire of unknown origin on Monday night about 12 o'clock. Many other outbuildings were consumed. The contents of the barns, consisting of large quantities of feed, farming implements, twenty head of cattle, and about thirty head of fine horses, were burned. Judge Youmans recently purchased the farm from Senator W. M. Stewart, of Nevada, and was making extensive improvements on it. The loss is estimated at about $50,000, and is only partly covered by insurance.

Mr. Swanson and the Books.

Congressman C. A. Swanson has issued the following statement relative to his position on the school-book question: To the democratic voters of Virginia:

I have received many inquiries asking me to state my position upon the school-book question should I be elected governor of Virginia and thus become a member of the State board of education, which has control of this matter.

I desire to state to the voters of Virginia that my experience, both as pupil and as a teacher in the public schools of the State, has convinced me that as an original proposition the single list is preferable. The adoption of such a list gives uniformity in the text-books throughout the State, and hence when pupils go from one district to another, or from one county or city to another, they are not forced to the necessity of purchasing new books, but can always use those in their possession.

Again, the single list will result in saving to the people of Virginia a vast sum of money in the purchase of books, as it is conceded that books under the single list can be furnished much cheaper.

These considerations speak strongly in behalf a single list. But a sudden adoption of a single list under conditions now existing in Virginia would discontinue the use of a large number of books at present used and paid for by the people. I do not favor sudden and radical changes of books, with the inconvenience, losses and annoyances incident thereto.

I would favor, as a member of the State board of education, reaching a single list as soon as it can be done without entailing such loss, inconvenience and annoyance.

I desire, further, to say that if I should be elected governor and become a member of the State board of education, I would assume its duties absolutely free and untrammeled, and with no purpose except to get the people of Virginia the best books at the best prices obtainable, and I would not consent to make a contract with any publisher for furnishing books who would not agree to provide the people of Virginia as good books, both in a literary and mechanical sense, and as cheaply as are furnished to any other State in the Union.

Today's Telegraphic News

Conditions in Russia.

St. Petersburg, April 26.—It is reported that the Zemsky Sobre will be definitely summed in June. The Czar seems determined on this. The Minister of the Interior has issued secret orders that all letters from abroad shall be opened. Several letters to your correspondent have been opened in this way. One of these letters was from a Sister of Charity in Mukden. It states that as soon as General Linevitch took command of the army in Manchuria he dismissed all the telegraph employes. An investigation proved that twenty-seven out of fifty operators were in communication with the Japanese. Several of the operators were hanged by General Linevitch's orders.

Berlin, April 26.—A threatened uprising of the peasants in Penza province of Russia is reported here. It is estimated that 6,000 armed laborers have taken part in the demonstrations. The largest cities of the district and several estates were looted. Similar tactics were employed in the neighborhood of Narovchat, a town of about 3,000 inhabitants. Estates were raided and a number of landlords were either killed or maltreated. Their servants were likewise abused by the rioters. The newspapers have been forbidden to mention the outbreaks.

St. Petersburg, April 26.—Demonstrations on the part of the reservists who have been ordered to Manchuria occurred today in various centers where the troops are being entrained. Yesterday the reservists created a great deal of trouble. In one instance the soldiers were so disorderly that a lieutenant shot to death a disobedient soldier. In another case the soldiers pillaged the liquor stores and smashed the windows in the trains which were to take them to the front. Their disorders seem to have excited reservists all over the country, and the demonstrations which have been reported today are regarded as the outgrowth of the trouble yesterday.

Berlin, April 26.—A dispatch from St. Petersburg says that a meeting of 1,000 women held there it was resolved, amidst the greatest enthusiasm, to support the revolutionary movement. The women pledged themselves to collect money for the cause and propogate sedition. They also determined to obtain arms and to fight alongside of the workmen in the troubles which, it is predicted, will occur on May 1.

The Fleets.

Hong Kong, April 26.—The British steamer Calchas which arrived here this afternoon reports sighting three Russian battleships and two cruisers this morning, off Linting island, and steering to the south and southeast. Linting island is in the China Sea, not far from the main coast of China, and southwest of Hong Kong. The course of the squadron, reported by the Calchas, if continued, would bring the fleet close to the Philippines.

Penang Island, Straits Settlement, April 26.—It is reported that the third Baltic squadron, under the command of Rear Admiral Nebogatoff, will pass here today. The authorities have been keeping a close watch for the fleet, and have been patrolling the approaches to the harbor every night.

Hong Kong, April 26.—The vessels which the steamer Calchas reported seeing this morning, it has developed, were British warships, and not Russians.

London, April 26.—The correspondent of the Star at Hong Kong wires: "I have important information which enable me to contradict emphatically the report that a Russian ship was sighted off this port."

Another Mysterious Murder.

New York, April 26.—The lifeless body of Marie Ducci was found early this morning in her apartment at 54 Spring street, with a handkerchief stuffed down her throat. The body was discovered by her 8 year-old daughter, Rosina. According to the story, told by the girl, her mother was visited last night by a man named Destosto and his friend. The friend's name the girl does not know.

During the course of the evening, much drink was indulged in, and about 8 o'clock the girl was put to bed, in an adjoining room, after being beaten by the mother because she asked to be permitted to go out and play. Early this morning the girl awoke and upon going into the room where her mother entertained her friends, found her lying on the floor with the handkerchief down her throat. Her dress was disarranged and the waist torn open. This leads to the belief that the woman was strangled for the express purpose of robbing her of her savings, which it was generally known were hidden on her person. A bureau drawer in the room was also rifled. The woman was about 45 years old. She was married, but for the past three years had not been living with her husband. The police are now looking for Destosto and his companion.

Another Terrible Mine Accident.

Wilkesbarre, Pa., April 26.—A dreadful disaster occurred in the coal mines near this city when ten miners fell to their death at 7 o'clock this morning in the mine of Conyingham & Co. by the breaking of a hoisting rope. The shaft is nearly 1,000 feet deep, and the men were being lowered to their work when the accident occurred. All were dashed to the bottom, a mangled mass of flesh and bones. Mine officials from the surrounding territory and others hurried to the scene. Crowds of excited people gathered around the mouth of the shaft, and the usual heart rending scenes were enacted by the women and children. The bodies have not yet been taken out and are being identified with difficulty. The mine cage was the third to be lowered. Engineer William Cunningham was at the throttle, and the ten men, miners, and their laborers, boarded the cage. The engineer says the machinery was working perfectly, and that he had his engine under control, and slowed down to stop at the Hillman vein landing, 350 feet from the surface. Without warning, the rope snapped and the carriage with its human load dropped 400 feet to the Baltimore vein. A rescue party who were lowered on the other side of the shaft found the bodies, mangled in a horrible manner.

Bishop Darlington.

New York, April 26.—In Christ Church, Brooklyn, where for years he has been the rector, Rev. James Henry Darlington, was consecrated a bishop of the Protestant Episcopal Church today, and became the Bishop of Harrisburg, Pa. The church was crowded with visiting clergymen and churchmen when the Bishop elect was presented for consecration. The ceremony was performed by the Right Rev. O. W. Whitaker, Bishop of Pennsylvania, assisted by Bishop Cortland Whitehead, of Pittsburg, and Bishop Talbot, of Central Pennsylvania. The presenting bishops were George Franklin Seymour, of Springfield, Ills., and Frederick Burgess, of Long Island. Bishop Darlington will attend a reception this afternoon at the Hanover Club, and this evening there will be a reception at the parish house. Last night he was made the recipient of a loving cup by the congregation of Christ Church.

Checkered Career Ended.

Providence, R. I., April 26.—Death yesterday ended the wandering of the Rev. Dr. Charles H. McLane, former pastor of All Saints' Episcopal Church, Philadelphia. He escaped from the inebriate ward in St. Joseph's Hospital, Philadelphia, last Friday, and made his way, sick from exposure and dissipation, to the home of his sisters in this city. Dr. McLane was commencement orator in the class of '93 of Brown University. After his ordination he went to St. James' Church, Downingtown, Pa., where he captained a baseball team. He went later to All Saints' Church in Philadelphia. There he was mysteriously absent from service several times, and was forced to resign. After he left All Saints' he wandered to the Pacific coast. He returned to Downingtown last week, and the women of his old congregation subscribed money for his treatment in St. Joseph's Hospital.

Tariff Agreement Terminated.

Berlin, April 26.—The imperial government has formally notified the United States that tariff agreement between Germany and America will terminate on March 13th 1906. This is the day the new reciprocity treaties with seven European nations which were signed recently go into effect, and the notice to the United States is preparatory to excluding that nation from enjoying the privileges of the new treaties. While serving the formal notice on America, Germany also announces that she stands ready to negotiate a reciprocity treaty with the United States.

Bulgarians Arrested.

Vienna, April 26.—Four Bulgarians, who are alleged to be Macedonian revolutionists, have been arrested near Zaribsod on the frontier. The men carried bombs and arms had in their possession a list of Servians whom they intended to assassinate. Included in the list were all the Servian Macedonian committee at Belgrade, which had been organizing bands to act against the Bulgarian revolutionists.

Turks Defeated.

The situation in Turkish Arabia has become critical. It transpires that only a thousand of the Turkish troops sent to the relief of Riza Pasha reached Sanaa, and these fled thither after sustaining a defeat at the hands of the insurgents. Riza Pasha's troops, 6,000 strong, encounted the Arabs in great force five miles south of Sanaa March 30, and after a sharp encounter most of the troops, consisting of Syrian reserves, laid down their arms or deserted, the remnant of the Turks managing to reach Sanaa the same evening with only 50 camel loads of supplies. The chief-of-staff, Izzat Pasha, was killed and seven guns were abandoned and taken possession of by the Arabs, who also captured 200 camels ladan with provisions and large quantities of rifles and ammunition. The investment of Sanaa by the insurgents is being tightened. The Syrian reinforcements which recently arrived in Arabia are unsatisfactory, and the Ottoman officials are anxiously awaiting the arrival of European battalions, upon whom the fate of the capital of Yemen province depends.

Official in London conversant with the situation in Yemen province regard the situation there as being in the nature of a life or death struggle for the Sultan of Turkey. They point out that the warlike Arabs of Yemen, who have never done more than impatiently tolerated the Turkish yoke, have now grown tired of paying taxes three or four times over and have revolved. Should the rising in Yemen succeed it is bound to spread north to Hejez, and if the Sultan's authority is wiped out in that holy land o Mohammedanism he will lose all claims to the title of protector of the holy places which is regarded as the main factor in holding his empire together.

Everybody's for May has been received from the Ridgway-Thayer Co., in New York, and is one of the strongest numbers that this popular magazine has ever issued. Mr. Russell tells of the beef trusts operations in the cattle markets, and upon the cattle industry of the west. City Council.

Considerable business was transacted by the City Council last night but there was little discussion and the session lasted less than an hour.

BOARD OF ALDERMEN.

Several Aldermen were present, and the business which was presented was expedited.

Mr. Fisher introduced a resolution providing for the use of sidewalks by merchants under certain conditions, which will be found in the official proceedings.

Among the papers which came in from the lower board was an adverse report of the committees on light and finance on a petiton of W. M. Glasgow for one month's pay, he having been taken sick while at work at the electric works.

Mr. Ballenger was not inclined at first to vote for concurring in the action of the Common Council in adopting the report. He suggested that policemen received pay for a period of thirty days when sick.

Mr. W. H. Sweeney said that while the members of the joint committee were favorably disposed toward the petitioner, and would have been pleased to be in a position to grant his request, there is no law under which it could be done. There is in the case of policemen.

The action of the Common Council was concurred in.

The Aldermen after concurring with the lower board on other papers sent in adjourn ed.

COMMON COUNCIL.

The board was called to order shortly after eight o'clock.

The finance committee reported deficiency appropriations of $250 for the fire department; $500 for electric light works and $950 for cleaning streets, and the report recommending appropriations for these sums was adopted.

The application of Wm. Glasgow, fireman of the electric light wokrs, for pay during illness was reported on adversely and the report was agreed to.

The committee on streets reported that the cost of extending the Royal street sewer from Franklin to Church street would be $6,000 for a six feet invert open sewer and the report was recommitted.

The streets and finance committees reported favorably on an ordinance for the modern paving of Royal street from King to Cameron street; no work to be done in front of property whose owners do not deposit $2.85 per front foot or pledge that amount. Under the terms of the ordinance, the cobblestones will be left in front of the premises of those who refuse to share with the city the expense of the improvement.

Mr. Uhler asked what was meant by the proposal not to pave in front of the property whose owners refused to make the deposit required. He was opposed to any such patch work business.

Mr. Leadbeater said that this method had been tried in other cities and was found effective in securing unaminity in the end.

Mr. Strauss asked—"Shall these people who are able to pay for the work, and yet refuse, keep back the improvement of a whole square?" He favored the ordinance.

Mr. Burke favored the plan proposed by the committee. There might be an eye sore for a short time but all would soon come in.

Mr. Leadbeater called attention to the example of the sidewalks where, without any ordinance, example sufficed to secure the paving of an entire square with granolithic.

Mr. Williams said that of the three property holders who have not signed, two would soon do so and it would be but a little while before all was completed.

The chair urged Mr. Uhler to withdraw his objection.

Mr. Uhler declined to do so. The grade, he said, would be changed and this patchwork would make a street of hills and hollows.

Mr. Spinks said all needed grading would be done by the city.

Mr. Leadbeater agreed to this.

Mr. Uhler said that that only strengthened his position; the city had better do the work at once.

This ordinance was agreed to. Yeas, 11; noes, 1 (Mr. Uhler).

The committee also reported an ordinance to improve Royal street from King to Prince street, and the ordinance was agreed to, yeas 11 nays 1.

The committee also reported favorably an ordinance requiring the Washington, Alexandria & Mt. Vernon Railway to put rails &c on Royal street between King and Prince street similar to those on King street and to pave the track and two feet on each side with vitrified brick &c.

The ordinance was agreed to; yeas 11 nays 1.

The petition of Geo. A. Harlow et al for a sewer on an alley near Royal and Cameron street, with an appropriation of $600 therefor, was unanimously agreed to.

The committee on claims, reporting on the petition of William A. Lyons for damages for personal injuries received by being kicked on the hand by one of the horses of the fire department, recommended that the petitioner be paid the sum of $200, and the report was adopted. The committee exonerated Henry Allen, the driver of the horse, from blame.

Mr. Hellmuth introduced an appropriation of $450 for a new kitchen at the city jail which was referred to the committee on public property.

Council concurred with the Aldermen in the report of the committee on general laws recommending that the city attorney be requested to draft an ordinance making it unlawful to expectorate on sidewalks and in common carriers.

Council referred an appropriation of $250 to repave and widen gutters on Lee street from Wilkes to Franklin, also an ordinance requiring iron poles instead of wooden ones by the W., A. & M. V. Railway when it becomes necessary to replace the poles on account of decay.

Mr. R. E. Knight asked leave to use at No. 623 King street a frame structure covered with metal temporarily in elevating the building to three stories.

The matter was referred to the committee on streets after a motion by Mr. Brill to grant the petition had been negatived by a vote of 7 to 4. During the debate Mr. Leadbeater said such matters should be referred and well consider; recently hasty action had resulted in giving permission for the erection of a building eight feet without the building line.

Council concurred with the Aldermen in a reference to the proposal to allow business men to use during the time when stores are open for business three feet of the side-walk.

Official.

Weddings.

St. Paul's Church last night was the scene of a brilliant military wedding, when Miss Florence English Davidson, a well-known Alexandria beauty and belle, was united in matrimony to Lieut. Charles Minnigerode Maigne, of the Seventh cavalry, U. S. A. The color scheme of yellow and white was perfectly carried out. The church was artistically decorated with palms. Immense flags and sabers formed an effective background for the lovely young bride, surrounded by pretty maids, while the groom and all his attendants, in full dress uniform, standing under two banners made a brilliant and impressive picture. As Mr. Sherman B. Fowler, the organist, played the wedding march from "Lohengrin" the groom, attended by his best man, Lieut. Herbert Mann, Seventh cavalry, entered from the vestry-room and stood at the right of the chancel, while simultaneously the standard bearers and color guards of the Seventh cavalry came up the center aisle and took positions on either side. The ushers, Lieuts. Humphrey, Jennings, Shannon and Montgomery, of the same command, entered next in their full-dress uniform. The bride was preceded to the chancel by her bridesmaids and maid of honor. She entered the church escorted by her father. After the ceremony, which was most impressively performed by the pastor, Rev. P. P. Phillips, the bridal party and friends adjourned to the home of the bride's parents, which was a veritable bower of cut flowers, palms, etc., and where the military decorations were also artistically carried out. A delightful collation was served. The bride's cake was cut by the bride with the groom's sword and the ring concealed in the cake fell to one of the bridesmaids. The bride's gown of grandmother satin and duchess lace in its elegant simplicity enhanced the youthful beauty of the wearer. Her sole ornament was a lovely pearl necklace, the gift of the maid of honor, Miss Bertis Davidson. She carried a shower bouquet of lilies and roses, emblems of her own lovely character. The maids were gowned in white tulle with yellow girdles and carried handsome bouquets. They were Messrs. Rebecca Barrett, Lucy Douglas, Bessie Crawford and Nannie Jones, all intimate and devoted friends of the bride The maid of honor was Miss Alberta Welborne Davidson, sister of the bride. Her dress was of yellow crepe de chine, and she carried white flowers. The young couple received many presents and congratulations, among the latter a graceful and charming letter from Mrs. Jefferson Davis. Mr. and Mrs. Robert Beverley Minis, of New York, were present; the latter, formerly Miss Janet Davidson, a sister of the bride, looked radiant in chiffon, embroidered in silver with pearl and diamond ornaments and well deserves the title she has gained in her new home, "the beautiful Mrs. Minis, of Virginia." Among the groom's relatives were Mrs. Andrews and Miss Belle Minnigerode, his home having always been with the latter. She was elegantly gowned and seemed happy in the possession of a lovely new niece. Mr. and Mrs. Maigne left on the night train for Florida and later will sail for the Philippines, leaving behind them hosts of friends. The bride is a daughter of Mr. and Mrs. Francis James Davidson, and is a blonde of rare beauty and grace. Lieut. Maigne is a grandson of the late Rev. Charles Minnigerode, for many years rector of St. Paul's Church, in Richmond, but who subsequently resided in this city. Among the out-of-town guests at the wedding were Miss Belle Minnigerode, Mr. and Mrs. Robert Beverley Minis, of New York; Mrs. E. F. Andrews, Miss Annie Minnigerode, Mr. and Mrs. C. Powell Minnigerode, Col. and Mrs. Charles Morton, Mrs Eli D. Hoyle, Maj. and Mrs. Nicholson, Maj. Beach, Capt. Roberts, Capt. and Mrs. Summerville, Capt. and Mrs. Foote, Miss Imogene Hoyle, the Misses Humphreys, Lieut. and Mrs. Guintey, Lieut. and Mrs. West, Lieut. and Mrs. Herr, Lieut. and Mrs. Palmer, Lieut. and Mrs. Zell, Mrs. W. B. Baldwin and the Misses Baldwin, Mr. Norman Bestor, Mr. and Mrs. John S. Blair, Mr. Frank Morse, of Washington; Mr. and Mrs. Robert S. Barrett, of Mexico; Judge C. E. Nicol, Mr. and Mrs. H. W. Wilmot, of New York, and Mr. John Taylor Stephenson.

Christ Church was filled this evening with the friends of the bride and groom to witness the marriage of Miss Elizabeth Lloyd Lee, of this city, and Mr. John Garr Henry, of Morristown, N. J. The bride is the daughter of Mrs. Cassius Francis Lee and one of Alexandria's most attractive and popular belles and the groom is a prominent young banker of New York and a graduate of Yale. The church was beautifully decorated with flowers for the occasion and the assemblage was one of the most brilliant that has gathered there for some time. The marriage was a full-dress affair, there being six bridesmaids and ushers and the best man. The sister of the bride, Mrs W. J. Boothe, was to have acted as matron of honor, but her recent illness prevented her from being present. The ceremony was performed by Rev. W. J. Morton rector of the church, assisted by Rev. J. Thompson Cole, D. D., of Philadelphia, uncle of the bride. The bride was given away by her uncle, Dr. G. Wythe Cook, of Washington, and wore a handsome gown of white satin, made princesse, with bodice gorgeously trimmed with duchesse and rare old point lace. She wore a tulle veil and carried a shower bouquet of lilies of the valley and roses. The bridesmaids were Miss Edna Louise Forbes, of Richmond; Miss L. Hazelhurst Bolton, of the University of Virginia; Miss Sallie Daingerfield, of this city; Miss Constance Lee, of Philadelphia; Miss Elise Henry, of Morristown, N. J., sister of the groom, and Miss Emma Norris Heme, of Alexandria county. They wore gowns of white chiffon, trimmed with lace, and attractive hats of white Neapolitan straw trimmed with white roses. They carried shower bouquets of La France roses. The best man was Mr. Edgar M. Pennypacker, of Wilmington, Del., and the ushers were Mr. Gardner L. Boothe, of Alexandria; Mr. Arthur Phipps Ripley, Mr. J. W. Fuller Potter and Mr. Lewis M. Franklin, of New York, and Dr. Richard Cook, of Washington. A large number of out-of-town guests were present. The bride entered the church through the north door escorted by her uncle, Dr. G. Wythe Cook, and was preceded up the aisle by the six ushers and her bridesmaids. The groom, with his best man, entered by the south door and met his bride at the chancel where the party was picturesquely grouped. Mrs. C. G. Lennon presided at the organ and rendered the wedding march in exquisite style. After the ceremony the wedding party proceeded down the south aisle and with the members of the families of the bride and groom and the invited guests were driven to the residence of the bride's mother, No. 706 Duke street, where a beautiful reception was held. After the reception Mr. and Mrs. Henry left for an extended trip and will make their home in Morristown, N. J.

Fire in Washington.

Fire early this morning in the camp of Italians in the New Jersey avenue freight yards of the Pennsylvania Railroad in Washington resulted in loss of life of Charlie Ippolito, storekeeper, and about $1,000 to the railroad company, the building, a long shed, used for sleeping quarters, being entirely destroyed. The Italians were awakened this morning about 2 o'clock by cries of fire. Alarms were sent in to the various companies. Owing to the construction of the building, a wooden affair, the firemen were kept busy for the succeeding hour and a half. When the fire was burning its fiercest Charlie Ippolito made an unsuccessful attempt to enter the building for the purpose of recovering the company's money which he had left in the store. Nerving himself for the last time, Charlie fought his way through the flames to the cash drawer in the store. The fire and smoke, however, were too strong. His charred body was discovered lying on the floor, a large money bag containing silver in one hand and a pocketbook containing greenbacks in the other.

Circuit Court for the County.

[Judge C. E. Nicol presiding.]

Yesterday afternoon, the jury in the case of Mary Magadalene Johnson, charged with aiding and abetting her mother in the murder of James Evans, all colored, brought in a verdict finding the prisoner guilty of assault and battery, and fixing her punishment at six months in the county jail.

The trial of Joseph Gardner, colored, indicted for the murder of his wife, began today; jury and case in progress when this report closed.

Fra Diavolo.

The two most popular parts, on account of the comedy, are Beppo and Giacomo, which will be sustained by Mr. Harry B. Caton and George H. Evans, respectively. Mr. Caton made quite a hit as Teddy in the Little Tycoon, while Mr. Evans has appeared as Sir Joseph Porter in Pinafore, Maj. Gen. Stanley in Pirates of Penzance, Gaspard in Chimes of Normandy Pooh Bah in the Mikado, and Gen. Knickerbocker in the Little Tycoon. The comedy is well sustained by these two, particularly where they imitate Zerlina.

Birthday Party.

The ladies of St. Mary's church last night gave a birthday party at the hall of the Young Men's Sodality Lyceum. The proceeds were for the benefit of the organ fund of the church. All the numbers of the programme were interesting, and those who took part were at their best and acquitted themselves creditably. Miss Lucy Graves sang a solo which was greatly enjoyed. She was accompanied by Miss Sallie Patterson. A progressive euchre party will be given tomorrow night.

Bought Steam Launch.

The steam launch Doc Reh, which was sold here several months ago at a marshal's sale to satisfy the claim of her engineer for wages due, and was purchased by Mr. Norman Moore, of this city, has been sold recently to Dr. Reh of Washington. The little craft has been sent to Washington and is to receive an overhauling. The Reh is about thirty feet long, and has sleeping accommodations for a party of three or four.

Lamp Explosions.

The narrow escape of a family from serious injury as well as the destruction of a house is reported from Queen street. A child was sent to a neighboring store yesterday evening for coal oil and returned with gasoline. Lamps were filled with the fluid and when darkness was about to set in they were lighted. Explosions followed, but fortunately serious damage was averted by the members of the household.

Russians Defeated.

Tokio, April 26.—In an encounter between Russian and Japanese soldiers, near Kai Yuan, Manchuria, the Russians were defeated leaving 200 dead on the field. The Japanese lost 38. Twenty-two battalions of Russians also made an attack in the direction of Changtu. They were met by twelve squadrons of cavalry and one of artillery, from Siaotatsu, who repulsed them.

Use of Sidewalks.

As had been anticipated, Mr. Fisher introduced in the Board of Aldermen last night a resolution providing for the use by merchants of a portion of the sidewalks under certain conditions. The resolution will be found in the official proceedings. It was referred to the committees on streets and general laws.

Fell Into the Creek.

A young lady who was walking across the electric railway bridge over Hunting creek on Monday, made a mistep and fell from the structure into the water. She was rescued by some of her companions. Fortunately she escaped serious injury.

Officer Suspended.

Mayor Paff this afternoon examined the charges Lieutenant Smith yesterday lodged against Officer Henderson. According to the lieutenant's statement, two Italians were arrested Monday charged with carrying concealed weapons, and early yesterday morning a friend of the prisoners appeared and had a consultation with them. One of the prisoners gave the man $40 to leave at the station house for the appearance of himself and partner later in the morning, but, for some reason, he went out, presumably thinking the police were exacting too much from the accused. Mr. Henderson was on duty at the station house at the time, and when the lieutenant entered and was told what had occurred, he told Mr. Henderson he should not have allowed the Italian to leave with the prisoner's money; that officers should not suffer prisoners to be robbed in the station house, or do any thing to cause people to suspect the police. The lieutenant stated that after he had thus spoken Mr. Henderson used harsh language toward him, among other things saying he did not care for any man on the force, that he was as good a man as any one of them, &c. Mr. Henderson acknowleged the truth of some portions of the lieutenant's statement, but averred that his (the lieutenant's) language was unnecessary and harsh, and whatever he (Henderson) might have said was in the way of a rejoinder, being provoked by the lieutenant's remarks. Several policemen testified in the case, the statements of each being substantially the same. Mayor Paff finally summed up the case, and suspended Mr. Henderson for five days, beginning May 1.

During the progress of the examination Lieutenant Smith said this was the third time Mr. Henderson had been guilty of similar conduct toward him, and called the Mayor's attention to the fact that he had withdrawn the same on another occasion. Some of the witnesses in giving their testimony said they had paid no special attention to the colloquy between Lieutenant Smith and Officer Henderson from the fact that such scenes were not uncommon at the station house. Mayor Paff said he was sorry to hear that such was the case.

The Kenilworth Pool Room.

It was stated at Upper Marlboro, Md., yesterday that the property on which the alleged poolroom is being erected just beyond the District of Columbia line at Kenilworth, D. C., was sold to Percy T. Humphrey by Francis A. Cabeloix and wife on April 17. The price paid was about $5,000. Kenilworth people are disposed to believe that the same people who were interested in the resort at St. Asaph are the promoters of the new establishment, the erection of which has caused so much disturbance among the residents of that suburb and its neighbor, Tuxedo, Md., the two communities bordering on the line between the District and Maryland at the point where the poolroom is to be established. It is reported by those who claim to know something of the intentions of the promoters that it will be run as a club, with admittance by card only. A committee went to Upper Marlboro today to ascertain what can be done to prevent the erection of the poolroom and the establishment of a bar. A large force of men were at work yesterday on the building. The roof was put on, and it is said that by Monday the structure will be completed.

Insane in a Pullman Car.

An unknown woman, evidently of wealth and refinement, was taken from a Pullman car of Chesapeake and Ohio train No. 2 at Huntington, W. Va., late yesterday evening, a raving maniac. The woman had left St. Louis sometime Monday night and had a through ticket for New York. She has considerable money on her person, but not a line that will lead to her identiiy. Soon after the train left Cincinnati yesterday afternoon her actions became suspicious, and she told the conductor that she was so worried over her mother's illness in New York that she herself was ill. She soon became violent, and it took two strong men to keep her from leaping from the train. She is now in the City Hospital at Huntington.
